Board:	31000015169
Description	Gbionics Motor winding head board
Revision	00.00
Date	2026/10/26 14:22:35

Manufacturing BOM grouped

Notes:
1) The keyword 'ANY' in the manufacturer / MPN columns signifies that it is acceptable any other part number with the same characteristics; where some differences are highlighted, approval from the customer shall be obtained
2) The column 'KIT supplied by customer' indicates, when not empty, the quantity supplied by the customer.
